

Satan's Political Correctness

As we enter the last years of this age before Jesus Christ's return, the downward spiral of the world into iniquity spins ever more rapidly.

Recently on a camping holiday with my wife, I began a conversation with another camper who had lately been widowed. Hoping to encourage him, I mentioned the resurrection, but, instead, he quickly hurried away after expressing his disgust about a God who could allow all the evils in this world. His response was all too common, for many have turned away from God, blaming Him for man's many troubles, or simply rejecting any idea of God's existence.

I was immediately reminded of these verses in Romans 1:21,22,28, *'because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened. Professing to be wise, they became fools, And even as they did not like to retain God in their knowledge, God gave them over to a debased mind, to do those things which are not fitting;'* (ought not to be done).

God has given mankind over to a debased or depraved mind, a mind that has actually been engineered by man's arch-enemy- that great deceiver, Satan.

That social engineering has been partly achieved by one of Satan's most effective tools – Political Correctness, his very successful counter-biblical program. The dictionary definition is: "The attitude or policy of being extremely careful not to offend any group in society who have a disadvantage because of their sex, race, or disability." That sounds good, but now, a satanic anti-Christian gospel of political correctness is being preached, aimed at the destruction of the Western world, especially at those nations who God hoped would be His example and witness to the world – the nations descended from ancient Israel. Deuteronomy 7:6, *'For you are a holy people to the LORD your God; the LORD your God has chosen you to be a people for Himself, a special treasure above all the peoples on the face of the earth.'*

If Satan can bring these nations down – destroy them morally, politically and economically, it will be that much easier to establish his own rule through the 'Beast,' we read of in the book of Revelation; and stretch his evil empire over the whole world.

To that end, Satan had previously inspired and used aesthetic communism, but it quickly seemed to run out of steam and never really gained ground in the West, where it came up against capitalism, which includes the individual's right to develop his or her own ideas and express them in free-speech and action. This "Western bourgeois" democracy placed the state subservient to the individual, and that didn't fit in to Satan's plan at all!

Essentially, this was the age-old battle between God's way and Satan's. God's way we call Theocracy, where each person looks directly to the authority of his Creator.

Satan's system first found expression in Genesis 10:8-10, *'Cush begot Nimrod; he began to be a mighty one on the earth. He was a mighty hunter before the LORD; therefore it is said, "Like Nimrod the mighty hunter before the LORD." And the beginning of his kingdom was Babel, Erech, Accad, and Calneh, in the land of Shinar'*. Here a strong man began the system of ruling over others to his own advantage. A hunter gratifies himself at the expense of his victims, but God's rulership is that of a shepherd, who gives of himself for the good of his flock.

The socialist's solution to the failure of communism in the West was proposed by a think-tank called the 'Frankfurt School', in Germany in 1923, and recommended, among other things:

1. The creation of racism offences

2. Continual change to create confusion
3. The teaching of sex and homosexuality to children
4. The undermining of schools and teachers' authority
5. Huge immigration to destroy Western national identity
6. The promotion of excessive drinking
7. Emptying the churches
8. An unreliable legal system with bias against the victims of crime
9. Control of the media
10. Encouraging the breakdown of the family

If these sound all too familiar, it is not surprising, because as Fascism arrived in Germany, these thinkers fled to America where they took root in the universities and began the process of turning these policies into what we call political correctness. This has been promoted in the West by what is called the "new left" or "New Labour", with the aim of making everyone subservient and dependent on the State, which would, of course, be socialist, with a political elite that could impose its God defying, anti-biblical ideas on the people.

Political correctness was designed to subvert free-speech and thinking, debate, and common sense, replacing it with anti-biblical 'received wisdom,' which must not be questioned. That is why we see evil gradually replacing righteousness today! Revelation 12:9, *'So the great dragon was cast out, that serpent of old, called the Devil and Satan, who deceives the whole world; he was cast to the earth, and his angels were cast out with him,'* and

Isaiah 59:14-15, *'Justice is turned back, and righteousness stands afar off; For truth is fallen in the street, and equity cannot enter. So truth fails, and **he who departs from evil makes himself a prey.**'*

Today, those who stand up for truth and God's way are victimized and oppressed. In a chapter dealing with the end-time, we read in Isaiah 29:14, *'Therefore, behold, I will again do a marvelous work among this people, a marvelous work and a wonder; for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hidden.'* The time has come when, *'the terrible one is brought to nothing, The scornful one is consumed, And all who watch for iniquity are cut off — □ **Who make a man an offender by a word, And lay a snare for him who reproves in the gate, And turn aside the just by empty words.'*** (Isaiah 29:20-21).

So it is that our political leaders lack common sense. Often they don't know that they are dupes. Most have never had an ordinary job. They usually study politics or law at university, where they learn the policies of the new left, then go into some branch of government or research for a political party, from where they are often parachuted into government as a people's representative.

Once in government, they have sought to embody those policies into legislation, which oppresses freedom and independence, rob the people with taxes on the prudent, and recently, quite fraudulent 'green' taxes which rob individuals and businesses alike. The prophet Hosea sums it up in Hosea 5:11, *'Ephraim [Australia, Canada, Britain] is oppressed and broken in judgment, because he willingly walked by human precept.'*

Governments then, use laws drafted to be used against terrorists, to violently suppress any protest, which have resulted in, for example, death and injury at the hands of police of innocent citizens on Western streets in our supposedly democratic nations.

Let's have a closer look at some of those recommendations of the Frankfurt School, to see if they have, in fact, become the political correctness we face today.

Firstly, - children. Children need boundaries. There was an experiment here in Australia when I was a teacher, where school fences were removed on the advice of psychologists. It was a mistake. The children

became unsettled and anxious, not knowing where they were allowed. They needed to know the boundaries.

So, children do need instruction about what's right and wrong, and need chastisement when they choose wrong. It's always more painful to learn the hard way, so parents, don't leave it too late! Proverbs 19:18, *'Chasten your son while there is hope, and do not set your heart on his destruction.'* It's too late when they are teenagers! Political correctness may condemn spanking, but God says true love includes tough love. Proverbs 13:24, *'He who spares his rod hates his son, but he who loves him disciplines him promptly.'* Children like to push the boundaries and naturally do foolish things, not fully aware of the consequences. Proverbs 22:15, *'Foolishness is bound up in the heart of a child; the rod of correction will drive it far from him.'*

Thanks to political correctness, without such chastisement, undisciplined bad behaviour is now so deeply entrenched, that by the time the child arrives in school in the West, education is held back by continually disruptive children, something I saw arrive in the 60's, and develop during my 30 years of teaching. Now, the schools have been totally undermined, with the teacher's authority departed. Worse still, the undisciplined teenager leaves school and then comes into conflict with the laws of the land, the police, and society in general. Such youngsters have no concept at all of the authority of God's commandments, and society now suffers the natural consequences. Deuteronomy 5:29, *'Oh, that they had such a heart in them that they would fear Me and always keep all My commandments, that it might be well with them and with their children forever!'*

Of course this problem goes hand in hand with broken families. More than half the children born in some Western nations today, are born out of wedlock. Often the socialists have engineered this by providing homes and incomes for unmarried mothers and giving tax advantages to unmarried couples.

The results are more fatherless children running wild without discipline or a consistent male role model. The states have also been keen to blur the roles of the sexes so that few men recognize their responsibility to provide the important leading role in the family, 1 Corinthians 11:3, *'But I want you to know that the head of every man is Christ, the head of woman is man, and the head of Christ is God.'*

Sadly, with a now dominant female influence on many growing boys, and homosexual propaganda now taught as a valid life style in schools, homosexuality has become ever more common. Gay 'marriages' have become the symbol of the decline of the godly building block of civilisation – the wholesome marriage of a man and a woman, where a child can be reared in safety, discipline, stability and respect for itself and society's laws. God makes his feelings clear in Jude 7, *'as Sodom and Gomorrah, and the cities around them in a similar manner to these, having given themselves over to sexual immorality and gone after strange flesh, are set forth as an example, suffering the vengeance of eternal fire.'*

Even humour has been affected by the PC brigade's desire to remove national diversity. We've all enjoyed jokes about the Irish, Scots, Poms, Jews, French etc. but no longer. And sexism, one of the main plights of PC, has done away with many of the programmes and jokes we used to laugh at.

Why? Because humour brings out the difference between the sexes, races, and individuals, but all individuality is to be discouraged by the left wing thought police. Their ideal is for us all to be like the people in North Vietnam and China, marching along the state path in identical symmetry. There, the individual counts for nothing, but the innate dignity and value of the individual is described in Genesis 1:27, *'So God created man in His own image; in the image of God He created him; male and female He created them.'* This was Satan's target in the West.

Bias against the victims of crime is another PC symptom. Now, the rights of the criminal must be considered, and an Englishman's (or Australian's) home is no longer his castle. Those who have fought back against the burglar have often ended up in prison. At one time a householder had the legal right to defend his home in English Common Law (and Australian) which came right out of the Bible, Exodus

22:2, *'If the thief is found breaking in, and he is struck so that he dies, there shall be no guilt for his bloodshed,'* but no longer. And, don't expect a quick response from the police. They are so busy filling in PC forms that the burglar will be long gone, though they will turn out quickly enough in thousands for any protest march against the state!

Global warming is the latest PC scam, designed to help usher in one world government. The earth has always warmed up and cooled down. Not long ago we were told to expect another ice age, but now it's the opposite. The Romans actually grew grapes in N England, but later the Thames regularly froze over in winter so that fairs were held on the ice.

Al Gore's propaganda film was acknowledged in the courts to have at least 9 areas where it strayed from the truth, but that fact received no publicity and the government still insisted it be played in all British schools. Mans' influence is not responsible for any significant weather effect, but the PC brigade would have us believe we are heading for destruction.

John Coleman, the founder of the weather channel in America, wrote, "It is the greatest scam in history ...some dastardly scientists with environmental and political motives manipulated long term scientific data to create an illusion of rapid global warming ...to further enhance the totally slanted, bogus global warming claims." More than 31,000 scientists have now signed the so-called Oregon Petition rejecting the UN's IPCC global warming claims, over 9000 of them PhD's. Since 1998 there has been cooling, not warming, and if you research this on the web, notice that those discredited 'hockey stick' charts end about 2000. Search more closely for the later years and see their theory fall. Also, look for the satellite data of land and sea temperatures, because they are correct, but the met stations measurements, at one time on the edge of cities, are now surrounded by urban developments which provide a false reading – witness any city's much higher than average temperatures every day than the surrounding countryside.

So, this worldwide campaign of lies, censorship, anti-scientific attacks, intimidation of academics, and political manipulation by our governments to richly profit from "green taxes" is revealed as a gigantic hoax!

The Bible shows the absolute falsity of their predictions – Isaiah 30:23-25, *'Then [In Christ's coming Kingdom here on this earth] He will give the rain for your seed with which you sow the ground, and bread of the increase of the earth; it will be fat and plentiful. In that day your cattle will feed in large pastures. Likewise the oxen and the young donkeys that work the ground will eat cured fodder, which has been winnowed with the shovel and fan. There will be on every high mountain and on every high hill rivers and streams of waters, in the day of the great slaughter, when the towers fall.'* And that's not far away! Nevertheless this politically correct "received wisdom" dismisses all the evidence, to continue its completely unnecessary ruin of the Western economies.

Next, the socialist ploy to destroy our national identity has taken the form of huge immigration, and guess what – the nations of scattered Israel are the targets- Britain, America, Australia, Canada. 2 Samuel 7:23 *'And who is like Your people, like Israel, the one nation on the earth whom God went to redeem for Himself as a people, to make for Himself a name—and to do for Yourself great and awesome deeds for Your land—before Your people whom You redeemed for Yourself from Egypt, the nations, and their gods?'*

Australia's deliberately lax immigration controls and the most help for even illegal immigrants, make it a target for immigrants. TB and Aids now place an extra burden on the state, and even when the false asylum seekers are revealed we all know they are rarely ever removed and soon bring their families to join them.

So, Australia's one-time strict border controls are removed, and many more boat people are coming our way because they know few are ever returned.

The vast majority are those of Muslims, completely foreign to our culture, who refuse to assimilate, encouraged by the government's multiculturalism though the Bible says, Exodus 12:49, *'One law shall be for the native-born and for the stranger who dwells among you.'*

Most European nations will be majority Muslim in another 50 years without God's intervention, and under Sharia law- see these video statistics!

The PC brigade's arguments can't stand up to debate and common sense, so they have a solution. "You are sexist," "You are racist" they shout, epithets designed to silence even the most sensible argument, but these are often applied where no unfair treatment exists at all. They are used against those of us who do recognize the sexes and races possess distinguishable traits and characteristics, just as God intended.

Jews are often involved in finance and Asians like small businesses. Chinese run restaurants and takeaways, Italians make good design, Africans are great athletes. Most of the caring services, nurseries, nursing, senior citizens homes, are staffed by women, while men commonly work in construction and outdoor industries where their physical strength and abilities are more appropriate.

If you can see that unfettered immigration is not sensible for Australia, don't allow your voice to go unheard when your freedom and culture are threatened. Hosea 7:8-9, *'Ephraim has mixed himself among the peoples; Ephraim is a cake unturned [half baked!]. Aliens have devoured his strength, but he does not know it; yes, gray hairs are here and there on him, yet he does not know it.'*

The nanny state now pokes its dictatorial nose into too many corners of our lives. Self-reliance, initiative, freedom and personal responsibility, all are discouraged to make us dependent on the State – everything must now be subject to regulation. Europe is now the instigator of many of these ideas, which reach us even here!

The EEC was conceived by Germany after they lost the war, as a peaceful method of dominating Europe. Ted Heath, the British PM who took Britain into what the nation believed was simply a free trade organization, knew all the time that he was signing up to an ever closer political union.

Since then a whole series of stealthy treaties forced through Parliament with the absolute minimum of debate, and Britain's independence has been almost totally stolen by lies and deceit. Even the Queen, has betrayed Britain by handing over its independence to an undemocratic, unelected EU commission which has the ability to propose new laws and take powers which cannot be rescinded. For the last 17 years its own auditors have refused to sign off its accounts because of its total corruption, and Britain's membership costs the nation some £60 billion each year!

Why has its government allowed this?

- Political correctness is endemic in the EU. Modeled on the old USSR it is undemocratic, centralistic and unaccountable to the people, matching the socialist ideals of its leaders.
- Politically correct leaders feel at home in that environment, enjoying greater prestige on the world stage and hope for leadership of this growing world power.
- **The EU stage is being set for the emergence of the prophesied Beast**, who will gain control in Europe and reach for the world. Revelation 17:12-14, *'The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. These are of one mind, and they will give their power and authority to the beast. These will make war with the Lamb, and the Lamb will overcome them, for He is Lord of lords and King of kings; and those who are with Him are called, chosen, and faithful.'* And read also Daniel 11:40-43, *'At the time of the end the king of the South shall attack him; and the king of the North shall come against him like a whirlwind, with chariots, horsemen, and with many ships; and he shall enter the countries, overwhelm them, and pass through. He shall also enter the Glorious Land, and many countries shall be overthrown; but these shall escape from his hand: Edom, Moab, and the prominent people of Ammon. He shall stretch out his hand against the countries, and the land*

of Egypt shall not escape. He shall have power over the treasures of gold and silver, and over all the precious things of Egypt; also the Libyans and Ethiopians shall follow at his heels.'

These symptoms are part of Satan's plan to control the world. Political correctness is no joke. It is designed to take away your freedom to live your life God's way; His laws are done away in the shifting sands of endless change. Mis-education and the nanny state induce a culture of mindless reliance on government, and the one who plans to control that government is Satan the Devil, through the coming Beast Power.

Australia may be 20 years behind Britain in accepting political correctness, but most of us can recognize those same symptoms here. Thankfully, we are a long way from the coming Beast Power in Europe and still maintain our independence but that has not protected us from evils such as 'sexism,' racism,' and 'multiculturalism'.

In conclusion, most of us have long recognized the evils of PC but not understood its origins. Now we do, let's uphold the sanctity and value of the individual, still recognized by many in the West, and learn about the wonderful future of the individual in God's coming World Tomorrow! Matthew 10:7, '*And as you go, preach, saying, 'The kingdom of heaven is at hand.'*
