

# END TIME OVERVIEW

The end-time consists of 7 years, when the tribulation takes place. Daniel 9:27, 7:24-27, Rev 14:6-20. The following events take place during that time, detailed in the End-time series, with all the supporting scriptures. Also included in this overview are the Millennium and the Great White Throne Judgment.

1. The first angel reaches all people everywhere through dreams and visions, with the gospel about Christ's soon return to establish His Kingdom, and a warning to repent. God's people then leave for Jerusalem and God's work there. False Christ emerges. **1<sup>st</sup> seal**
2. America and Britain brought down by God, - then invaded and taken into captivity. **2<sup>nd</sup> seal**
3. The 3<sup>rd</sup> angel warns all not to worship the Beast and his image or take his mark, as he grows in power and enters Israel (Judah) with a token force. Famine as a result of war. **3<sup>rd</sup> seal**
4. Pestilence follows famine brought on by spreading war. **4<sup>th</sup> seal**
5. Beast begins to persecute and kill God's church because of their broadcast warnings about him from Jerusalem. **5<sup>th</sup> seal**
6. Jesus Christ returns at 3½ year point (at firstfruit harvest in Israel) to rescue God's people, the spiritual firstfruit harvest fleeing Jerusalem when the Beast finally invades from Europe with his armies at the **6<sup>th</sup> seal**. The Resurrection takes place; but many unqualified saints escape to Bozrah, where God provides and preserves them for 3 ½ years. Beast's pursuing armies swallowed up in earthquake.
7. The Great Tribulation, or 'great winepress of the wrath of God' starts the Trumpet Plagues of Revelation 8, 9, 11. Vials of Revelation 16 begin to be poured out. By the end of this last 3 ½ years very few people are left alive – in Israelite nations, - only 1/10<sup>th</sup>, for example. **7<sup>th</sup> seal**
8. Christ finally returns with His Bride (resurrected saints) from the Sea of Glass, before His Father's throne in Heaven, at Feast of Trumpets. Then Armageddon takes place, as the Beast, and 200 million from the East, are defeated and killed by Christ and His armies.
9. Christ then rescues those saints, now held captive at Bozrah by Edom. Leads them to Jerusalem, His new capital city of the Earth.
10. The Beast and False Prophet are cast into the lake of fire. Satan is bound 1000 years at Atonement.
11. Christ establishes His 1000 year Kingdom at Feast of Tabernacles, 15 days after His return.
12. He then sends out His Bride (arm) to collect the remnant tribes of Israel from scattered nations where they have been held captive, and bring them to Israel in the Middle East.
13. Christ spreads His Kingdom worldwide and the Earth is returned to an Eden-like state. End of 1000 years, Satan loosed, to try humanity, eventually killed.
14. 2nd resurrection ---of late-repentant saints (Revelation 7) to immortality and God's service.  
--of the rest of the dead to physical life in the 100 year judgment of the Great White Throne
15. New Heavens and New Earth. God the Father joins Christ and the Saints at New Jerusalem.
