

# Summary of ‘The Three Key Chapters’

(The *next* Article)

If we go back in time from the Feast of Trumpets when Christ **returns with** his Bride, 1290 days (Daniel 12:11), allowing for 2 Leap Years, it is Passover in Spring, when the Church’s work in Jerusalem is about to be cut off (Daniel 9:27).

It is half way through the 7 years of Daniel 9:27 (Matthew 24:15). The “tribulation of those days”, the first 5 Seals, have already occurred (Matthew 24:5-8, Rev. 6:2-11).

The invasion of the Beast’s armies into Israel has just started (Daniel 11:41), causing most of those in Judea who have been carrying out God’s work in Jerusalem to cease (Jeremiah 31:6-7), and flee to escape capture (Matthew 24:16), though the **Great Tribulation** has not yet started (Matthew 24:21). **The Heavenly Signs begin** (Joel 2:30-31), “immediately after the tribulation of those days” (Matthew 24:29), the first 5 Seals.

**A blood moon occurs** (Revelation 6:12, Matthew 24:29, Joel 2:31) which is part of **the 6<sup>th</sup> Seal Heavenly Signs**, when Christ appears in the clouds (Revelation 14:14, Matthew 24:30, Revelation 6:16). **God Himself blows the Trumpet** (1 Thessalonians 4:16, Zechariah 9:14), **rescues His fleeing People** (Revelation 12:14-16) and **the angels gather His Bride** (Matthew 24:30-31, Revelation 14:16) and take them **to the Sea of Glass** (Revelation 14:1-5, 15:2) Only then, AFTER the First Resurrection, does the **Great Tribulation** start (Compare Revelation 14:15 with 18-19; Joel 2:31, Revelation 12:17, Revelation 6:17).

God’s Plan pictures the Spring First-fruit **barley** harvest in Israel, which cannot start until the first sheaf was waved by the High Priest on the day after the weekly Sabbath during Unleavened Bread (Leviticus 23:10-11). One or two days after that “full” Passover Moon (cf. Psalm 81:3-5) comes the not quite “full”, “whole” Blood moon – (2 different words), at the time of the Wave Sheaf offering - a 6<sup>th</sup> Seal Resurrection!

Why did God make it a special blood moon? Because, together with the evidence of the 3 Key Chapters, above, the blood moon inseparably and irrefutably ties the Resurrection to the Feast of Unleavened Bread week, and the Wave Sheaf. Also, it cannot be 50 days later, for it could not be “full” or “whole” at Pentecost, which anyway, is not 3½ years from the Feast of Trumpets, as required. (Revelation 12:14, Daniel 7:25, Daniel 12:7,11, Revelation 13:5-7).

This is the Biblical evidence God provided, that reveals the correct time of the First-fruit Resurrection, for those who love God’s word, above man’s. It also reveals *the cause* of the Church’s delusion, if you think about it!
