

Western Media Infiltrated

This world's people, of *all* nations, are almost totally unaware of a spirit dimension which influences all our lives for the worse. It is no accident that what we see on the news from day to day, is mostly bad news. Wars, rebellions, abductions, rapes and murders, gross and horrendous executions of innocents, genocidal expulsion resulting in refugees, death and drownings, and just plain evil of one kind or another, all over the world.

Some of the news is just so blatantly evil that we have no difficulty in recognising it for what it is – black clothed and hooded murderers slitting the throats of innocent Christians for example – but other news, which to God is just as evil, is presented as good; part of ‘human rights’, and recognised as such by ‘progressive’ governments and the United Nations.

If we were able to bring back someone who died one hundred years ago, they would be shocked and horrified at the evil that most people accept as normal today. Go back another hundred years, five hundred years, or even a thousand and they would still be amazed at our departure from the Ten Commandments, most of which has taken place since 1945.

That the product of the ABC does tend to be slanted and biased there is little doubt. The Institute of Public Affairs has assembled evidence with its studies of coverage of the 1998 Federal Election and the 1998 waterfront dispute.

Perhaps the most powerful evidence is from Queensland University Professor John Henningham's survey of journalists, where journalists rated 7.30 Report, ABC News, Four Corners and SBS News (in that order) as the most pro-ALP media outlets.

Following that survey, the University of the Sunshine Coast conducted a survey of 605 journalists around Australia. Asked about their voting intentions in the last election

41% of the ABC journalists who responded said they would vote for the Greens.

32% said they would vote for Labour.

14% would vote for the Coalition.

This makes a total of 73% of journalists working for the ABC who have left wing leanings, the majority of whom support the most extreme socialist party – the Greens, who are at the moment campaigning strongly for ‘marriage equality’, which is more correctly called homosexual marriage, previously called gay marriage, but even this did not sound ‘normal’ enough for the homosexual lobby.

It is this kind of evil – the unrecognised kind, that poses the greatest threat to our nations, and it is subtly presented as good news by state media outlets like the BBC and ABC; national news services, especially in the West.

Why are these respected organs of the State becoming more and more biased towards Left Wing ideals in their reporting? After all, it doesn't take much thinking to recognise that the majority of their broadcasts present an atheist, socialist viewpoint that promotes idyllic Left Wing programmes, rather than traditional, Conservative values.

The answer is that journalism attracts individuals who are naturally interested in bettering the world, but their training at University now includes psychology, sociology, political science and the humanities, courses which have long been dominated by an egalitarian perspective provided by Marxist professors.

This is no accident, because Russian ex-KGB agents who have defected to the West tell us that the majority of KGB funds went into the infiltration of Western universities. Radical Leftist teachers, Marxist literature,

student exchanges with Russia, have all combined to ensure that student journalists in particular have a solid socialist grounding.

When they eventually become journalists, they find it quite easy to criticise conservative governments and capitalism, whereas they quickly learn that it is nowhere near as easy to find anyone with a bad word to say for the governments in truly socialist States (less they lose their businesses, their liberty or even their lives in the process, as we see regularly in Russia).

Steeped in egalitarian ideals, they find it difficult to accept Jesus Christ's teaching that people should be rewarded according to what they actually produce with what they are given. Luke 19:12-27,

'A certain nobleman went into a far country to receive for himself a kingdom, and to return. And he called his ten servants, and delivered to them ten pounds, and said unto them, Occupy till I come. But his citizens hated him, and sent a message after him, saying, We will not have this man to reign over us. And it came to pass, that when he was returned, having received the kingdom, then he commanded these servants to be called unto him, to whom he had given the money, that he might know how much every man had gained by trading. Then came the first, saying, Lord, your pound has gained ten pounds. And he said unto him, Well done, good servant: because you have been faithful in a very little, have authority over ten cities. And the second came, saying, Lord, your pound has gained five pounds. And he said likewise to him, Be also over five cities. And another came, saying, Lord, behold, here is your pound, which I have kept laid up in a napkin: For I feared you, because you are a severe man: you take up what you laid not down, and reap what you did not sow. And he said unto him, Out of your own mouth will I judge you, you wicked servant. You knew that I was a severe man, taking up what I laid not down, and reaping what I did not sow: Why then gave not you my money into the bank, that at my coming I might have required my own with interest? And he said unto them that stood by, Take from him the pound, and give it to him that has ten pounds. (And they said unto him, Lord, he has ten pounds.) For I say unto you, That unto everyone who has shall be given; and from him that has not, even what he has shall be taken away from him. But those my enemies, who would not that I should reign over them, bring here, and slay them before me.'

Instead of accepting Christ's teaching, they have been led to believe that those who work hard and produce more should accept that their earnings be redistributed to those who need, because they work less, or don't work at all, the basic reason why Soviet Russia fell apart.

Nevertheless, and despite the all too clear evidence that Socialism does not work, (even Russia and China have adopted Capitalism to create prosperity inside their political systems) the journalists ensconced in our Western media consistently attack Christian and conservative values which are anathema to Marxism. The traditional family, biblical marriage, different male and female roles, natural sex between a man and a woman, children of that union raised with mother and father, our historical Christian and democratic culture, the protection of our borders – all come regularly under attack. Why?

Instead, we are fed a diet of Socialist 'human rights', which encourage homosexual marriage, multiculturalism, feminism, homosexuality, state subsidy of unmarried mothers, the workshy and illegal immigration, all of them part of planned socialist psychological warfare against the West, designed to weaken our nations by undermining our Western Christian culture, prosperity, patriotism, freedoms and our moral and spiritual values, from within.

The real instigator of this plan (Read about it in our article, 'Satan's Political Correctness',

http://www.ozwitness.net/docs/satans_political_correctness.pdf)

is that arch rebel against God, Satan the devil. Because of his failed rebellion against God and being cast down to this earth, he hates all mankind, but especially the West (The Israelite nations) which have carried Judaeo-Christian biblical concepts around the world. He is at this time still the god of this world, Luke 4:6 *'And the devil said unto Him [Christ]. "All this power I will give you, and the glory of them: for it is given to me; and to whoever I will give it,"* and

2 Corinthians 4:4, *'In their case **the god of this world** has blinded the minds of the unbelievers, to keep them from seeing the light of the gospel of the glory of Christ, who is the image of God.'*

He is also the 'prince of the power of the air, Ephesians 2:2, *'in which you once walked, following the course of this world, following **the prince of the power of the air**, the spirit that is now at work in the sons of disobedience,'* who has successfully broadcast his spiritual influence worldwide, using as his tools the influential Western media he has so successfully infiltrated. Revelation 12:9, *'And the great dragon was thrown down, that ancient serpent, who is called the devil and Satan, **the deceiver of the whole world**—he was thrown down to the earth, and his angels were thrown down with him.'*

But Satan's time is strictly limited, and his evil reign is coming to an end. Revelation 20:1-2, *'Then I saw an angel coming down from heaven, holding in his hand the key to the bottomless pit and a great chain. And he seized the dragon, that ancient serpent, who is the devil and Satan, and **bound him for a thousand years.'*** He will soon be replaced by the return of Christ who will finally remove all evil from this suffering world, and replace it with true education which will result in worldwide peace, prosperity and happiness, as God's laws replace the influence of today's media with its evil bias. Matthew 16:27, *'For the Son of man shall come in the glory of his Father with his angels; and then he shall reward every man according to his works.'* Isaiah 11:9, *'They shall not hurt nor destroy in all my holy mountain: for the earth shall be **full of the knowledge of the LORD**, as the waters cover the sea.'*

The good news then, is that today's media will be replaced by faithful reporters and teachers who teach God's way of living, and because they will be supported by the Saints, resurrected Christians, then immortal members of God's family. Their teaching will be backed up by their divine abilities and intervention, Isaiah 30:20-21, *'And though the Lord gave you the bread of adversity, and the water of affliction, yet **shall not your teachers be removed into a corner any more**, but your eyes shall see your teachers: And your ears shall hear a word behind you, saying, "This is the way, walk in it," when you turn to the right or when you turn to the left.'*

Of course the result will be a dramatic change from our present injustice, where it often seems that the victims of crime are punished, while the criminals go free. Criminals will then receive true justice, Psalm 103:6, *'The LORD gives righteousness and **justice to all** who are treated unfairly.'* NLT

Never again will crime be an attractive way of life, Psalm 37:38, *'But all sinners will be destroyed; there will be **no future for the wicked.'*** NIV. People will at last feel the benefit of the true values re-established by God, with all news presented by faithful witnesses, without the addition of subtle, biased and satanic propaganda. Instead of Satan's broadcast of his spirit of rebellion against the laws of God, which has infiltrated our media and influenced our minds, God will provide the antidote, Hebrews 8:10, *'I will put **My laws into their mind and write them in their hearts** and I will be to them a God and they shall be to me a people'*, and chapter 10:17, *'And their sins and iniquities I will remember no more.'*
