

Religious Discrimination Laws

The Religious Discrimination Bill at the moment postponed before Parliament has exposed the government's dilemma. On the one hand, led by the Prime Minister Scott Morrison, it wants to provide the legal freedom for the churches and religions to express their beliefs about human sexuality based upon what, for example, the Bible teaches through God's Laws, and on the other hand it wants to placate the atheist "progressives", with their driven agenda to overcome the quite different roles of the sexes, as defined in the Bible; for example: 1 Corinthians 11:3, 'But I want you to understand that the head of every man is Christ, the head of a wife is her husband, and the head of Christ is God.' 2 Samuel 10:12, 'Be of good courage, and let us play the men for our people, and for the cities of our God: and the LORD do that which seemeth him good.' 1 Kings 2:2, "'I am about to go the way of all the earth. Be strong, and show yourself a man.'"

Craftsmen in wood, metal, stone, farmers, fishermen, founders, gardeners, goldsmiths, guards, tailors, tanners, tentmakers; generally, and broadly speaking, man's biblical role has been away from the home, while woman's role has revolved around the home, children and family.

However, there is every indication that, as these two sets of belief are irreconcilable, one set must triumph and the other fail, and the weight of biblical prophecy reveals the temporary victor will be - Satan!

Satan has been behind this "progressive" push ever since his inspiration of the plans of a think tank of the Frankfurt School in Germany, in the 1920's. (You need to read "Satan's Political Correctness", no. 13 page 1, Articles). Backed by his Satanic spiritual broadcast, (Ephesians 2:2, 'in which you once walked, following the course of this world, following the prince of the power of the air, the spirit that is now at work in the sons of disobedience.') this ongoing agenda has penetrated and permeated all the universities and our left driven media, first triumphing with "homosexual rights", then with "gay marriage" and now progressing to the "lesbian, gay, bisexual, transgender, gender diverse, intersex, queer, asexual and questioning (LGBTIQA+) rights" brigade, no doubt still to be added to.

And so, it has come to the point where yesterday, I watched one woman on TV insist that Christians have no right to make statements which could offend others, just because they are based on verses in the Bible! Were that to be made Law it would be the end of preaching the gospel message Jesus brought – a fait accompli for the 'progressive' atheists! Mark 1:14-15, 'Now after that John was put in prison, Jesus came into Galilee, preaching the gospel of the kingdom of God, and saying, "The time is fulfilled, and the kingdom of God is at hand. Repent, and believe in the gospel."

I don't believe that most of our "progressives" have any idea of the disaster they are helping to bring upon our nations, which not only refuse to condemn their behaviour, but virtually poke God in the eye by commonly displaying their crusading rainbow flag, not realising that, ... 'God is not mocked; for whatever a man sows, that he will also reap,' Galatians 6:7, Isaiah 24: 5-6

'The earth is **defiled by its people**;
they have transgressed the laws;
they have overstepped the decrees
and broken the everlasting covenant.
Therefore a curse has consumed the earth,
and its inhabitants must bear the guilt;
the earth's dwellers have been burned,
and **only a few survive.**'

While all sin is evil, and the "wages of sin is death," Romans 6:23, so that murder, adultery, stealing, lying and coveting can all make us guilty and in need of repentance, some sins are labelled "abominations" by God. Leviticus 18:22, 'You shall not lie with a male as with a woman. It is an abomination.'

While adultery, for example, offends God's institution of marriage, practicing homosexuality attacks the very foundation of God's Plan for His Creation mankind - to grant us eternal life as members of the God family. Romans 8:29, 'For whom He foreknew, He also predestined to be conformed to the image of **His Son**, that He might be the firstborn among many brethren.' It does so by undermining the bedrock distinction between the sexes, which, if carried to its logical crusading conclusion would mean the extinction of mankind.

The only solution for a homosexual Christian is celibacy, which is not 'the end of the world', as loving friendships do not have to include sex. For many years I enjoyed my friendship with a repentant homosexual, and greatly missed him when he died. He had dedicated himself to a cause and was quite content. I believe that finding a serving purpose in life, rather than being self-centred, makes all the difference to the sense of fulfilment that service brings, and in doing so, we walk in the footsteps of Christ. 1 Peter 2:21, 'For to this you have been called, because Christ also suffered for you, leaving you an example, so that you might follow in his steps.'

However, if this Satanic spiritual broadcast succeeds and our freedom to express our biblical beliefs is lost, as seems likely, for it is well established now, even in our schools' curricula, we will see the further decline of Christianity in the land, which is a mere shadow of that which the Bible teaches, already!

The result will be the further withdrawal of God's blessings, **and the hedge** with which He has protected Western Christian democracy, Deuteronomy 28:49-51,62, 'The LORD will bring a nation from afar, from the ends of the earth, to swoop down upon you like an eagle—a nation whose language you will not understand, ruthless

nation with no respect for the old and no pity for the young. They will eat the offspring of your livestock and the produce of your land until you are destroyed. They will leave you no grain or new wine or oil, no calves of your herds or lambs of your flocks, until they have caused you to perish....You who were as numerous as the stars in the sky will be left few in number, **because you would not obey the voice of the LORD your God.**'

Just one dramatic, miraculous event now stands between **us** and an invasion and slavery to the coming autocratic, atheistic combine to our North, for our strong fighting men that we had previously are being feminised or dismissed, and, more importantly, we no longer have the God with whom we *were* in contact, to call upon for help.

That event will rock the world! Revelation 14:6-7, 'And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people, saying with a loud voice, "Fear God and give glory to Him, for the hour of His judgment has come; and worship Him who made heaven and earth, the sea and springs of water."' I have covered this one last chance in detail in many other articles, so I won't elaborate here, but notice this, 'The devil, **who deceived them**, was cast into the lake of fire and brimstone where the beast and the false prophet are. And they will be tormented day and night forever and ever.' Revelation 20:10. Failing to repent has a heavy penalty!

The spirit of Anti-Christ will become so strong that the LGBTIQWXYZ will not repent, and God will allow all those who have rebelled and rejected His Laws in the Bible, which is available everywhere, even on your phone, to perish in the coming troubles.

In fact the Bible says that, unless they repent, over 90% of our population will not survive those last 7 horrific years, Isaiah 6:12, 'And though a tenth remains in the land, it will again be laid waste....'

We in this nation have been richly blessed above almost all nations, but our riches have made us arrogant. Hosea 13:6, 'When I fed them, they were satisfied; when they were satisfied, they became proud; **then they forgot me.**' Let us remember that for thousands of years our ancestors honoured God's sex and marriage Laws, enabling God to bless us until about 1945. Whatever **we** legislate does not change those Laws, or our need to repent if we break them!
